**Title: Israel and the Grace of God**

**Text: Genesis 46-47**

## **Introduction**

The grace of God will change how you understand life itself. Receive and live out of God's grace toward you.

### **I. A Dream**

*God with Israel... still*

### **II. An Assessment**

*Few and evil the days of my life*

### **III. A Response**

*Take me home*

“...Nevertheless, when the Son of Man comes, will he find faith on earth?”

(Luke 18:8)

## **Conclusion**

- Why do we ‘make bargains’ with God? Do they work?
- What, if anything, is striving to be all I should be? What happens if you fail?
- If your days are ‘few and evil,’ is that a sign of God’s disfavor?
- Why is the grace of God received and lived out of rather than aimed for?
