Title: In the Shadow of Death, part II

Text: Genesis 50:22-50:26

Introduction

Always remember that your hope lies completely in your redeemer.

I. Certainty and Hope

"God will surely visit you"

II. Loyalty and Hope

"Carry up my bones from here"

"... because of the tender mercy of our God, whereby the sunrise shall visit us from on high..."

— Luke 1:78

Conclusion

- Why is it so important that our hope is not based on our efforts?
- Why did Joseph want to have his bones taken? Wasn't he blessed in Egypt?
- What do you think of Joseph's last words? What do they focus on?
- What does loyalty look like in your life? Why is it there?
