Message: Living Forgiven
Text: Matthew 18:10-35

Introduction

Forgiveness is impossibly costly and deep. Receive it, and give it.

I. Our God Forgives (vv. 10-14)

Rejoicing over finding lost little ones

II. Our Family Needs Forgiveness (vv. 15-20)

Gaining family

III. How Can We Possibly Forgive? (vv. 21-35)

Heart issues

“I will remember their sins and their lawless deeds no more.” (Hebrews 10:17)

Conclusion

- Why do you think God is so happy with finding the lost?
- Why do we confront fellow believers about sin?
- What is the matter with “score-keeping” and why do we do it?
- How can we get the heart to really forgive?
