**Text:** Joshua 7-8

## **Introduction**

### **I. God, Angry**

*And does he get angry with you?*

### **II. Solution, Found**

*And is it a solution for you?*

### **III. Success, Obtained**

## **Conclusion**

Two divergent models for life as God's possession

- Do you ever think God is angry at you? Why or why not?
- In what way are we not like those "devoted for destruction"?
- If there is a greater battle going on, what is our role?
- Are we kept by lawkeeping? How does New Covenant living contrast this?
