Title: Our Folly, II

Text: 1 Corinthians 2:1-14

Introduction

I. An Act of God (vv.1-5)

Trusting God rests in His power

II. A Revealer (vv. 6-13)

Teaching what's been given by God, freely

III. A Conflict (vv. 14-16)

Natural, Spiritual and the mind of Christ

Why does this matter?

- What did Paul decide to know among them? So what then *wasn't* his message?
- What is our wisdom? What does it have to do with our glory?
- Who reveals understanding to us? What are we to understand?
- What's the conflict between the natural and spiritual person?
