

The Grace Project

June

Grace Church Bellingham

Update:

May was an awesome month! Our major event, a student favorite, The Oscars was a huge success! The night was filled with laughter, a fun mixer game, great food served by the After Hours group, sweet videos, and of course the Oscar awards! A short video with lots of pictures will be posted! I have already started prepping for a video for next year! May started off with a final Oscar's prep night as well as giving students time to think and write Hot Topic questions for our next series. This series gives students an opportunity to ask their tough, long held-in, and random questions about the Bible, faith, life, etc. Our first topic was entertainment, music and movies! The students have great questions and seem to treasure the time to talk about thoughts and questions they have! May ended with an awesome game night, always loved by students!

Ways to Be Involved

Unify Worship Night 1st	A night of worship together with other churches from the area, led by Sam Hebert (our Worship and Young Adult Director)	⇒ Come along with your student and enjoy worship and fellowship!
TGP Hot Topic Nights 3rd 10th	We are diving into some tough questions posed by the students. These two weeks will be an awesome time to look into questions and thoughts that students have and provide a Biblical response to them!	⇒ Ask your student what they learned from the Hot Topic as well as any additional questions they have.
No TGP 17th	Happy Father's Day!!	⇒ Do something fun as a family!!
Summer BBQ 23rd	A summer BBQ at the Wright's House from 4 to 7! Bring a side to share. There will be lawn games, food, a bonfire, and lots of laughter! This annual event is always a blast to hangout as a large group, celebrate the last year of YG, school and look forward to what's ahead.	⇒ This event is open to families! Make sure to bring extra food for your family though. Hamburgers and hot dogs will be provided for the youth. Bring a fun yard game and a yummy dish!
Grad and Game Night 24th	A celebration of the 8th graders who are moving onto The Corner (HS group)! On their last TGP we have a lot of fun with games and spend some time encouraging them!	⇒ Provide gift ideas to me for 8th graders. Ask your student what nerves and excitements they have about moving up a grade.

Prayer Points:

Hot Topic Series- Pray for student interest and involvement in the discussions and lessons about these topics and that their hearts would be challenged and rest in God's crazy love and care for them! Also pray that students would have confidence to be real and ask those questions they have about life, faith, the Bible etc. Additionally, pray for the prep both for me and the leaders and that the main thing stays the main thing so that students hearts can be reached by the Holy Spirit.

End of the School Year- I am so excited for the summer and all the fun and deepening of relationships ahead! There are so many details that go into planning the summer and so pray for both the details and the big picture as the new YG year arrives. Pray for students to jump in, invite friends, and be excited about youth group, events, and each other, as a time to be real, develop deep friendships, and experience God's love rooted in the gospel, plus have a ton of fun! Pray for those coming into TGP and those moving to The Corner, that they would feel welcomed, involved, and excited for the change!
