The Corner

September

Grace Church Bellingham

Update:

August was a full, exciting month of summer activities! The month began with a skate night where we took over the Lynden Skateway! Only a few scrapes! Then, our Park Day was met by the immense heat of summer only able to be quenched by the splash of water balloons! The guys had an overnighter full of 4 square, nerf, board games, and little to no sleep! The Outdoor Movie Night, at the beautiful open air theatre of the Parks house, was a huge hit! We watched Wreck It Ralph (can't wait for the new one in November) and enjoyed a plethora of snacks! Congrats to those who were baptized at Lake Padden! It was awesome to celebrate with them! And, finally, The Corner's first HS Summer Camp 2018 at Lake Crescent! It was an absolute blast from the car/ferry ride over, the big group games, worship and teaching sessions, tubing, night games, the conversations, all the way to the camp cleanup! Check out pics on social media as well as a video of our time there! YG year 2018-2019 begins this month!! Here we come!!

Prayer Points:

REAL RELATIONSHIPS – Pray for students to be real with each other and the leaders in a way that is uplifting and challenging so that a community of people who have one another's back is created with God as the foundation and roots! Pray for this to start in the hearts of everyone involved, to abide in Christ, the vine (John 15)!

NEXT YEAR- Continue to pray for planning of this YG year! Specifically for the MS Fall Retreat in October and more volunteers stoked about God and youth! Pray also for Lake Day, for good weather, and safety. Lastly, for Sam and I in preparing for teaching and worship at the BCS Retreat! Pray for it to be all God!
