

November

Grace Church Bellingham

Update:

October began with a BANG! The MS Fall Retreat was an absolute blast from capture the flag on a huge field, night games, traveling, to Laser Tag. Just ask your student! We learned about the parable of the Prodigal Son and had time in small groups and personal time to just talk with God. It was an amazing time to get to know one another on a deeper level! The Corner also had some fun with playing Bigger or Better in a local neighborhood! We got a huge umbrella, a sweet nerf gun, a table, and a few other items...all from a paper clip! Thanks to those parents able to make it to the Parent Night! Its was so cool and a blessing to have you guys experience first hand what happens at YG! October ended with a bang as well, with the Autumn Extravaganza celebrating fall with yummy food, fun games, prizes and of course a maze! We started Ephesians looking at the crazy reality of what God has done for us! Can't wait to continue in Ephesians in November and for all that God has planned ahead!

Nov. Events

Details

Ways to Be Involved

Table with 3 columns: Event Name/Date, Details, and Ways to Be Involved. Rows include Kids Carnival (1st), TGP Regular Nights (4+11 and 7+14), Praise N Pie (18th), and Bowling Bash (Dec. 1st).

Prayer Points:

MS RETREAT PRAISE- God was so faithful with this event! It went smoothly, lots of people got to come, and it was an absolute blast! Thank you all for your support!

EVENTS- Pray for God to work in the lives of students in impactful ways during events. Pray that these events will serve a greater purpose in developing students relationships!

THE MAIN THING- Pray for students to take initiative in inviting their friends so that they can hear about the Gospel (God's unwavering love) as well as taking ownership of this youth group. Pray for me along with all the leaders to keep the main thing the main thing and that's Jesus is central and he motivates it all!
