Grace Church Bellingham

Update:

September was the kickoff month! September brought Lake Day, Kickoff Night, and the beginning of a fresh year of Youth Group! I am so beyond excited to start up this new year and playing Xtreme musical chairs, Steal the Bacon, talking about our heart at YG, and re-connecting with people, along with a little 4 square was an awesome way to start it off! Lake Day, despite the non-sunny skies, was an absolute blast! We still hung on for dear life on the tubes, still had an epic game of Kiddie Pool Slip-n-Slide Kickball, and still enjoyed great food! Thanks to all who helped with this event...it was a HUGE success! We ended the month with beginning our study in Ephesians! This is an awesome book that gives great insight into our identity in Christ and our daily motivation in life! Looking forward to Ephesians!

Prayer Points:

TGP (MS) FALL RETREAT- Cover this retreat in prayer as we travel to Canada on Saturday, for safety, and as we spend the weekend together! Pray for God to impact hearts and lives through the fun, games, meals, worship, travel, and lessons! Pray for Liam (guest speaker) as he prepares.

THE MAIN THING- Pray for students to take initiative in inviting their friends so that they can hear about the Gospel (God's unwavering love) as well as taking ownership of this youth group. Pray for me along with all the leaders to keep the main thing the main thing and that's Jesus is central and he motivates it all!
