

January

Grace Church Bellingham

Update:

December started off with a bang with the Bowling Bash! We had a lot of fun bowling the afternoon away! There were a few turkeys and some gutter balls as well, but regardless of the scores we had fun laughing, slipping in our clown shoes, and finding new ways to bowl! The next day we had a Seahawks Sadness Game Night where we played some intense games including, Hawk dodgeball, frozen t-shirt contest, and ate a ton of pizza and snacks! We continued in the book of Ephesians (Chapter 2) for our normal YG nights. We highlighted the truth that we all come from the same place of hopelessness but have the same opportunity to be in the FAM of God!! Finally, before break, we had our Christmas Party with graham cracker house making, mug exchange, 9 square, and more hilarious games!! Hope you all had a great Christmas! **Happy New Year!!**

Prayer Points:

HIT HOME! - God's Word is awesome and incredibly impactful and applicable! Pray for students hearts and minds as they hear God's Word each week, that God would impact their heart in a real way that truly hits home! Pray that they see God's immense unwavering love for them in new ways and that it wouldn't just end with each YG night but God would implant truth on their hearts throughout the week.

BAKER DAY—Pray for safety in travel and on the mountain! Over the years I've seen new people come and get connected with the YG which is so so cool! Pray for this to continue and for us all to have a blast!

FRIENDSHIPS– Pray for God to work each YG night and event to deepen, grow, and start real authentic friendships between the students and the leaders. Pray for relationships to be strengthened through our ROCK Groups and times to hangout with students throughout the week.
