

## February

Grace Church Bellingham

### Update:

January was an awesome start to 2019!! Baker Day was an awesome day from the drive up, to the mountain, to the drive down! We had snowball fights galore, snow forts, and sledding! Though the snow was not as fluffy as normal, we all had a blast together with an awesome turnout of people! Thank you to all who helped out! We continued in Ephesians finishing up chapter 3 and diving into chapter 4. We will be looking at how God's immense love impacts our lives and hearts on a daily basis and how we get to live in response. We also had an India Night with Ellie Kindlund sharing her heart at TGP and Keith Zackel guest spoke at The Corner on the "Most Successful Failures in History"! For the HS, we ended with a special YG night at the Park's House playing an epic game of Escape the House that truly brought us closer! February is here with more epicness!

### Prayer Points:

**NEW STUDENTS**– I'm stoked! Every week I get the joy of hanging out with students both regular attenders and new students! Pray for the new students to get connected and the regulars to welcome them!

**FRIENDSHIPS**– Real relationships are key to this ministry and are a picture of God's relationship with us! Pray for God to work each YG night and event to deepen, grow, and start real authentic friendships between the students themselves and the leaders. Pray too, for opportunities to be a part of students lives outside of YG, throughout the week.

**MESSAGE**– We are starting the last 3 chapters of Ephesians, learning about the practical application of our identity in Christ. Pray that students are challenged and encouraged in new ways out of a foundation of God's immense love for them! Pray for students each week, to listen and hear!
