Title: What We Know

Text: 1 John 5:13-21

Introduction

Trusting Jesus is our confidence for life, now and forever.

I. We know the Father (vv.13-15)

Confidence that He's for us

II. We know sin (vv. 16-19)

Confidence about being preserved

III. We know true life (vv. 20-21)

Confidence about us in Jesus Christ

"For whatever does not proceed from faith is sin." (Romans 14:23)

Conclusion

- Why is what we know so important to John, as opposed to what we do?
- How do you think of God's attitude toward you, especially when you pray?
- If sin leads to death, how do we get life? Can we pray for the dead?
- Why, after these strong statements of what we know, does John warn of idols?
