Title: Road Less Traveled
Text: Mark 6:1-29

Introduction

I. Rejected at home
By the plan of God

II. Proclaimed on the road
News of an exodus

III. Killed by the world
Guilt and shame and fear

“The stone that the builders rejected has become the cornerstone.” (Psalm 118:22)

Conclusion

- How does Jesus get “too familiar”? Can we react similarly?
- Connect the exodus to the disciples’ message. How was it similar?
- If you see God as primarily judging evil, do you have a chance?
- Why are we on a ‘road less traveled’? How is true Christianity upside-down?
