Title: House of Cards

Text: Mark 11:27-12:17

Introduction

Our own striving is a house of cards; Jesus is the cornerstone. Lean on him.

I. Whose Authority? (vv. 27-33)

I will ask you one question...

II. Whose Vineyard? (vv. 1-12)

Have you not read this Scripture...

III. Whose Kingdom? (vv. 13-17)

Why put me to the test?

“The stone that the builders rejected has become the cornerstone; this was the Lord’s doing, and it is marvelous in our eyes.”
Psalm 118:22-23

Conclusion

- What sorts of things have ‘authority’ in your life? What controls you?
- What is the main error of the tenants? What are they not in control of?
- What is Jesus’ take on paying taxes?
- How does salvation in Christ turn our control structures upside down?
