**Title: Judged, part II**  
**Text: Judges 20:18-21:25**

## **Introduction**

Your right-ness, judged; God's right-ness, a gift in Christ.

**I. In the Right... and dying?**  
*Why?*

**II. God... in an ambush?**  
*How?*

**III. Wives... is this right?**  
*What?*

“There is therefore now no condemnation for those who are in Christ Jesus.”  
(Romans 8:1)

## **Conclusion**

- Would God give direction that leads to widespread death? Is that ok?
- When I plan and work and sweat and accomplish, how can it be said “God did it”?
- Is God accountable to morality? To the Law? Who decides what's right and wrong?
- What's the problem with “doing what's right in your own eyes”?
