Title: Nick at Night

Text: John 3:1-21

Introduction

I. You Must Be Born Again

Radical new life that you can't provide yourself

II. How These Things Can Be

Poisoned people find life in the upraised, cursed Son

“For God did not send his Son into the world to condemn the world, but in order that the world might be saved through him.”
(John 3:17)

Conclusion:

- Why isn't it enough to believe Jesus was a mighty teacher doing miraculous signs?
- What do you think it means that we must be 'born again'?
- How is Jesus like the serpent in Numbers 21?
- Do you do good works for Jesus, or does he do the works he wants with you?
