

Is He worthy?

Do you feel the world is broken? (We do)
Do you feel the shadows deepen? (We do)
But do you know that all the dark won't stop the light from getting through? (We do)
Do you wish that you could see it all made new? (We do)

Is all creation groaning? (It is)
Is a new creation coming? (It is)
Is the glory of the Lord to be the light within our midst? (It is)
Is it good that we remind ourselves of this? (It is)

Is anyone worthy?
Is anyone whole?
Is anyone able to break the seal and open the scroll?
The Lion of Judah who conquered the grave
He is David's root and the Lamb who died to ransom the slave
Is He worthy? Is He worthy?
Of all blessing and honor and glory
Is He worthy of this?
He is

Does the Father truly love us? (He does)
Does the Spirit move among us? (He does)
And does Jesus, our Messiah hold forever those He loves? (He does)
Does our God intend to dwell again with us? (He does)

Is anyone worthy?
Is anyone whole?
Is anyone able to break the seal and open the scroll?
The Lion of Judah who conquered the grave
He is David's root and the Lamb who died to ransom the slave
From every people and tribe
Every nation and tongue
He has made us a kingdom and priests to God
To reign with the Son
Is He worthy? Is He worthy?
Of all blessing and honor and glory
Is He worthy? Is He worthy?
Is He worthy of this?

He is!

Remember to Remember

Well, I've been looking back over my shoulder
Retracing every step trying to unforget
And I see the mountaintops I've journeyed over
And I see the valleys deep where I crawled on my hands and knees
Pages and memories filled with joy and stained with tears
They call my name and if I listen, I can hear them saying

Remember the way He led you up to the top of the highest mountain
Remember the way He carried you through the deepest dark
Remember His promises for every step on the road ahead
Look where you've been and where you're going
And remember to remember
Remember, remember

And now I'm looking out at the road that's waiting
But my eyes can only see so far out ahead of me
As sure as the sun will shine there'll be more mountains I will climb
And more deep dark shadowlands where desperate faith is all I have
Until I'm home, I'm resting all my hope and trust
In the only One whose name is: God with us

Remember the way He led us up to the top of the highest mountain
Remember the way He carried us through the deepest dark
Remember His promises for every step on the road ahead
Look where we've been and where we're going
And remember to remember

Remember the day is coming when He's going to wipe the tears away
He'll look in our eyes and say

Remember the way I led you off the mountain
Remember the way I carried you, ohh
Remember the way I led you up to the top of the highest mountain
Remember the way I carried you through the deepest dark
Remember my promises for every step on the road ahead
Look where you've been and where you're going
Look where we've been and where we're going
And remember to remember

Steven Curtis Chapman

Sovereign Over Us

There is strength within the sorrow
There is beauty in our tears
And You meet us in our mourning
With a love that casts out fear
You are working in our waiting
You're sanctifying us
When beyond our understanding
You're teaching us to trust

Your plans are still to prosper
You have not forgotten us
You're with us in the fire and the flood
You're faithful forever
Perfect in love
You are sovereign over us

You are wisdom unimagined
Who could understand Your ways
Reigning high above the Heavens
Reaching down in endless grace
You're the lifter of the lowly
Compassionate and kind
You surround and You uphold me
And Your promises are my delight

Your plans are still to prosper
You have not forgotten us
You're with us in the fire and the flood
You're faithful forever
Perfect in love
You are sovereign over us

Even what the enemy means for evil
You turn it for our good
You turn it for our good and for Your glory
Even in the valley, You are faithful
You're working for our good
You're working for our good and for Your glory

Michael W. Smith

Made Me Glad

I will bless the Lord forever
And I will trust Him at all times
He has delivered me from all fear
And He has set my feet upon a rock

I will not be moved
And I'll say of the Lord

You are my shield, my strength
My portion, Deliverer
My shelter, strong tower
My very present help in time of need

Whom have I in Heaven but You?
There's none I desire beside You
You have made me glad
And I'll say of the Lord

You are my shield, my strength
My portion, Deliverer
My shelter, strong tower
My very present help
You are my shield, my strength
My portion, Deliverer
My shelter, strong tower
My very present help in time of need

You have made me glad
And I'll say of the Lord
My very present help in time of need (repeat)
