SERMON NOTES

Set Free: A Case Study (*John 8:31-35*)

January 10, 2021

Introduction

- I. Defining and Exalting Love
In society, in the church, in your life

- II. Love as Law
Fulfilling God's commands, or not

- III. Love as Christ
True hope for now and the future

"So if the Son sets you free, you will be free indeed." *(John 8:36)*

Conclusion:

- Do you know love when you see it? Why or why not?
- How does motive change our evaluation of each other's efforts? Should it?
- Does failure at love mean we do not value it? Why is this an issue?
- How is trusting Christ our real refuge in evaluating good as well as evil?
