# SERMON NOTES

**Date: February 21, 2021**

**Title: Sick and Dying-Dead**

**John 11:1-27**

## **Introduction**

- I.      **Shocking: God's (in)action**  
*Lazarus is ill... so let's wait around*
  
- II.     **Confusing: Why**  
*Works and promises and reality*
  
- III.    **Wondrous: Jesus**  
*The Resurrection and the Life*

*"The Lord is not slow to fulfill his promise as some count slowness, but is patient toward you, not wishing that any should perish, but that all should reach repentance."    (2 Peter 3:9)*

## **Conclusion:**

- How can we reconcile Jesus loving Lazarus with his waiting while he died?
- How is the glory of God related to you and your salvation?
- Mary and Thomas both are followers of Jesus. Is their thinking right here?
- What is the great hope we have, and how do we obtain it?
