Title: Made to See, II

John 9:13-41

Introduction

I. Enter the Blind

Why reason alone doesn't help.

II. Examining the Sighted

What you see—and don't—is so important.

III. Exposing You

How blindness kills.

“But he gives more grace. Therefore it says, ‘God opposes the proud but gives grace to the humble.’”
(James 4:6)

Conclusion:

- Who are the blind by the end of this passage? Why?
- Why does logic fail the Pharisees? How can it fail us?
- Why did Jesus come into the world? How does one “see”?
- Why don't the blind have sin? Why does sin remain?
