Title: Advent, Week 3: Peace
Text: Various

Introduction

How Jesus brings peace humbles our hearts and changes our lives.

I. Pulling in the 'Wrong' People

Magi at the feet of Jesus

II. Running Away from the 'Powerful' People

Herod and the flight to Egypt

III. In the Midst of the 'Hopeless' People

Grieving moms, slain children

"Then Jesus said to Thomas, 'Put your finger here, and see my hands; and put out your hand, and place it in my side. Do not disbelieve, but believe.'" (John 20:27)

Conclusion

Left-handed power

- Is the idea of astrologers and magicians worshiping Jesus bothersome? If so, why?
- Why did Jesus run away from Herod? Why didn't God exert more power?
- Do you think of Jesus coming in suffering? How is this the prince of Peace?
- How does the coming of Christ show relationship over conformity?
