Title: What's Changed? II
Text: Colossians 3:12-17

Introduction

I. What's Changed in You, Christian

Holy, beloved, chosen by God

II. What This Change Leads To (and Why)

Called into community

III. But We're So Imperfect!?!

Refocusing on reality

"But I say, walk by the Spirit, and you will not gratify the desires of the flesh."
(Galatians 5:16)

Conclusion

- Do you think you are holy and beloved all the time, or only sometimes?
- Do you see the beauty of these commands? Why do we slip away from them?
- If I continue to struggle being kind, or having humility, am I really a Christian?
- What is the teaching and admonishing and singing all about in this passage?
