**Title: We Are God's**  
**Text: 1 Corinthians 3:1-9**

## **Introduction**

**I. Our Readiness to Hear**  
*Still of the flesh*

**II. Our Work Here**  
*Servants only*

**III. Our Identity forever**  
*God's*

## **Why does this matter?**

- How can you be in the flesh and still in Christ?
- What is the 'food' of the Gospel, and what is the 'milk'?
- Why do we worry about standing and relative approval from God?
- What does it mean to viscerally know you are God's?
