**Title: 10 years of Grace**  
**Text: Various**

## **Introduction**

### **I. Grace by Trust**

*Jesus died for us and it worked*

### **II. Grace for the Broken**

*Life by promise not by sight*

### **III. Grace into Freedom**

*Not returning to slavery*

“And there is salvation in no one else, for there is no other name under heaven given among men by which we must be saved.” (Acts 4:12)

## **Conclusion**

- Why do Christians mostly focus on behavior?
- Why are we tempted to make the Bible a ‘life instruction’ manual?
- Is freedom simply ‘freedom not to sin’? What does it refer to in Galatians 5?
- How does our unity in Christ lead directly to embracing diversity of thought?
