**Title: When the Lights Come On**

**Text: Judges 2:6-3:11**

## **Introduction**

### **I. Light shining on God's people**

*Hearts revealed, and it isn't pretty*

### **II. Light shining on God's heart**

*A plan... will it work?*

### **III. Light shining for Israel**

*The judge, Othniel*

"This Jesus is the stone that was rejected by you, the builders, which has become the cornerstone. And there is salvation in no one else, for there is no other name under heaven given among men by which we must be saved."

(Acts 4:11-12)

## **Conclusion**

- Why do you think the Israelites abandoned God?
- Why did they not have success against their enemies? Is that true of us?
- What was God's plan to 'test' the people? Did it work?
- Step back. What does this show us, who are in Christ?
