**Title: Fleece Problems**

**Text: Judges 6**

## **Introduction**

Receive the wonder of a God who *isn't* trusted... and loves you still.

### **I. Yahweh speaks Truth**

*Problems and the source of them*

### **II. Yahweh is Peace**

*Wellness for weaklings*

### **III. Yahweh has Patience**

*Trust really is the issue*

“...so that by two unchangeable things, in which it is impossible for God to lie, we who have fled for refuge might have strong encouragement to hold fast to the hope set before us.”

(Hebrews 6:18)

## **Conclusion**

- For Christians, in what sense is trust actually our obedience?
- Is Gideon's weakness a problem for him? Is it a problem for God?
- What is the ground of peace for Gideon? Is it the same for us?
- Gideon has an addiction to signs. Why? And how do we avoid the same?
