**Title: Our Mess**

**Text: Judges 17-18**

## **Introduction**

### **I. What's the Mess?**

*Leveraging, using, reasoning... we are*

### **II. Cutting through the Mess**

*Receive the lifeline... your King*

“And by that will we have been sanctified through the offering of the body of Jesus Christ once for all.”

(Hebrews 10:10)

## **Conclusion**

- How do we try and “clean up” our impulses and desires before God?
- How does the world pull us and tempt us away from simple trust in our Savior?
- Can “reasonableness” be dangerous? Give an example.
- Who is safe from these traps? Where does Moses fit in the story?
