Title: Still Standing

Text: Ephesians 6:10-18

Introduction

I. Our Different Strength

Radical dependence

II. Our Overwhelming Enemy

Not who we think

III. Our Real Protection

Standing firm

“...to those who have obtained a faith of equal standing with ours by the righteousness of Jesus Christ.”
(2 Peter 1:1)

Conclusion:

- How does one get God’s strength as opposed to relying on one’s own?
- What are the ‘opponents’ we think we need to fight, vs. the reality?
- Whose armor do we wear, and why does it matter?
- How do you “put on” this armor?
