Title: Doors, Shepherds, and Sheep

John 10:22-42

Introduction

I. Finding Confidence

Hearing and trusting and following

II. Yes, Really Finding Confidence

Works and promises and reality

III. Keeping our Eyes where they belong

On the works and the words of the Son

“The blessings of salvation become ours through the Spirit, exclusively, immediately, simultaneously, and eschatologically in Christ... in the case of believers, to be united to Christ by the Spirit means to share in his justification, adoption, sanctification, and glorification.” (Sinclair Ferguson, *The Holy Spirit*)

Conclusion:

- Does Jesus claim to be Christ? To be God? Why do you believe his claim?
- What actions does Jesus promise to those who believe him?
- What takes away your confidence in your own salvation? Others' salvation?
- How does the law become a stumbling block to many, in the church and outside?
