Dead Ends

Ecclesiastes 1:12-2:26

Introduction

I. Dead End: Pleasure

II. Dead End: Wisdom

III. Dead End: Work

“Human history... is the long terrible story of man trying to find something other than God which will make him happy.”

(C.S. Lewis, *Mere Christianity*)

Conclusion

- Are pleasure, wisdom, and toil wrong in themselves? Why or why not?
- Think on your own life. Where do you find your value and worth?
- What do you think is the Teacher’s main disappointment?
- What do we find is our foundation and identity?

“For you have died, and your life is hidden with Christ in God.”
(Colossians 3:3)
