

Sep. 15 - Week 2 – Introduction to “*Why God Makes Sense in a World That Doesn’t*”

✓ **Beauty, Story, and Probability in the Question of God**

Because we live in a time of disillusionment, disenchantment (which leads to indifference and apathy), distraction, diversion, outrage, and polarization, we need to engage people more effectively with the beauty, the truth, and the narrative of the gospel.

- ✓ Ortlund is **not** trying to convince you to accept the Big Bang models as truth.
- ✓ Ortlund **is** demonstrating how commonly accepted science is providing evidence God and can be used as a starting point to point people to Christ.
